

## Wedding Venue Package 2010/2011

Both Management and Staff at Tumble Downs would like to take this opportunity to congratulate you on your recent engagement and thank you for your interest in using our facility for your wedding celebrations.

### History and Location

Tumble Downs was opened in February 2006. The row of glass panelled doors that open out onto the covered veranda echo the buildings stable origins, but inside the ceilings have been raised to give the feeling of great depth and space. Tastefully decorated but remaining true to the country ambience, Tumble Downs has a passion for food and hospitality. The awe-inspiring landscape of the surrounding Kamberg and Karkloof Valley, the unrestricted freedom of its lawns, fine cuisine and true country-style hospitality makes this the ultimate wedding and function venue.

The restaurant is conveniently situated only 8 kms outside of Howick on the Currys Post Road. Approximately 4½ hours from Johannesburg and 1½ hours from Durban. The road is tarred up to the property entrance.

### Venue Options

**Restaurant:** The restaurant comfortably seats 70 persons. Tastefully decorated yet simply country, this venue is ideal for the smaller more personal wedding parties. With groups ranging anything from 20 – 80 persons the room offers a feeling of space without losing intimacy. Attached to the main restaurant we offer two private dining areas, which can either be utilised as additional seating or as a private dance floor and bar extension. In addition there is a private pub and

both wooden deck and covered veranda onto which the party can overflow and enjoy the breathtaking panoramic views of the neighbouring countryside.

**Garden Marquee:** For group numbers exceeding 80 persons you have the option to erect a garden marquee and fully utilise the extensive unspoilt lawns and 270° views surrounding the facility.

Should you wish to serve canapés and finger snacks before the function or later in the evening should you expect a late night the price will change accordingly. For most restaurant weddings we will provide in house catering but for marquee weddings we may make use of the services of independent caterers. At no time however will the quality and presentation of the meals be jeopardised and the restaurant chef will at all times be available to supervise and facilitate if necessary. Individualised menus available on request.

### **Wedding Cake Cost**

The wedding cake will be an additional cost and organised by the bridal couple. Should you require assistance in this matter we do have locally based and well-reputed caterers whom we could recommend.

### **Bar and Beverage Cost**

The bar tab will be charged separately and to be settled the day of the wedding. There are a number of ways in which you can organise the workings of the bar:

- *Full bar* - all drinks available on a single tab. You may select a monetary limit.
- *Limited bar* - selected drinks on a single tab and a monetary limit selected by yourselves
- *Cash bar* - all and / or selected drinks available on an individual cash basis

Beverage prices available on request. We have a variety of available wines and champagnes to order. We request that this selection is made at least four weeks prior to the function to ensure availability. Please note that all wines or champagnes brought into the facility and not purchased from the bar will be charged a corkage fee of R30.00 per bottle. Under no circumstances will beverages not purchased from the restaurant be permitted on the premises.

## Payment Requirements

The contact person for the wedding will be held responsible for the payment for the venue deposit and full and final settlement of the outstanding account. Please note that until this non-refundable deposit is received in full, on or before 30 days after the signing of the wedding venue agreement, your booking will remain provisional. If this money is not received the restaurant reserves the right to release any or all arrangements without prior notification. The outstanding amount for the reception must be paid 14 days prior to the function date. In the unfortunate event of the need to cancel the wedding proceedings this deposit will be forfeited. A staff service fee is not included and would be appreciated at your discretion.
